During this season of blessings and renewal, we have much to be grateful for: the love of family and friends, the bonds of community, and the service of our brave men and women in uniform whose sacrifices protect the freedoms we enjoy as Americans. These gifts surround us, and give us reason to rejoice in all the special moments the holidays bring.

From our family to yours, we wish you all the best for a wonderful new year.

Sincerely,

 

GEORGE W. BUSH

Thank you for your thoughtful gift. I appreciate your kind gesture.

I am honored to have served as President of our Nation, and I am grateful for your support.

Laura and I send our best wishes.

THE WHITE HOUSE
WASHINGTON

Thank you for taking the time to share your views, and for your thoughtful gift. Each day, I hear from Americans about the issues facing our country, and I appreciate hearing from you.

My Administration is working to address the new and complex challenges of our time. By out-innovating, out-educating, and out-building the rest of the world, we can win the future for the next generation of Americans.

Thank you again for writing and for your kind gift.

Sincerely,
